All times are approximate only due to weather etc which can change the running time.

Qualifying is not head to head. Athletes will go one at a time for the qualification process. All categories (except masters) will compete in heats of 4 during the finals.

Once you have completed your qualifying run, go straight back up the t-bar to the start to find out if you are in the finals once all qualifiers have finished.

If you do not make finals please return your bib at the top of the race.

Finalists keep their qualification bib and put the coloured bib over it for the finals.

Finals:

Start procedure: Starter will announce "Skiers ready" - "Attention" - then the gate will drop and athletes start.

Finals Format: In all categories (except masters) the best 8 competitors will proceed into the final runs (semi final, small & big final) - "Knock-out" round.

For the final runs competitors will receive coloured bibs at the start

- RED for the fastest qualifier,
- GREEN for 2nd
- BLUE for 3rd
- YELLOW for 4th fastest qualifier).

Bib RED can choose start gate position ahead of bib GREEN, BLUE and YELLOW. □

Bibs: All bibs (black qualification bib and coloured finals bib) need to be returned to the start.

Equipment:

NO race suits or tight clothing allowed! Helmet mandatory! All MBRC athletes must also wear back braces.
