Warm up area for free skiing: Summit

Start Qualifying TBC

All U10 / U 12 / U14 will run qualifying runs then all will run finals

We recommend for U16/Junior athletes to use SL skis, younger athletes at their choice.
Distance between gates is 15 meters.

Race Format: 2 qualification runs (one on red course, one on blue course), combined time of those two runs counts for the qualification ranking. The best 4 competitors in each category will proceed into the finals. Final runs will be executed as small final (3rd qualifier against 4th qualifier) and big final (1st qualifier against 2nd qualifier). The faster qualifier has the right to choose the course.

Start procedure: Starter will announce "Blue course ready, red course ready" - "Attention" - then the gate will drop and athletes start.

Do not push against the start gate, otherwise it will not open.

If you miss a gate or get DSQ, your time will be 1,5 sec slower as the slowest athlete in your category.

Presentations: 3pm At Mt Buller Clubhouse **Sunday**
